Come join us in helping prepare our future pollinator garden for Spring planting! Bring your garden gloves; activities will include weeding, removing decadent vegetation, digging soil, adding compost, and having fun!

**WHERE:**
Joseph Charter School
400 E. Williams Ave.
Joseph, Oregon 97846
At “Magic Garden” space
Contact Gretchen Sausen: (541)962-8695

**WHEN:**
Friday, October 26th at 10am

**WHY:**
The pollinator garden is part of a larger schoolyard habitat project to get kids outside learning about pollinators, bugs, plants, and other critters while having fun learning!

Project funded by Joseph Charter School & U.S. Fish & Wildlife Partners for Fish and Wildlife grant. Made possible through dedicated community volunteers and local support!
